

Vector units

The easy
solution for
card-based play.

MAX's Vector unit is a powerful tool to meet the needs of today's player.

Available in Queensland and Northern Territory.

Vector units play a vital role in any loyalty program and provides valuable data for your venue.

MAX's vector units are the in-touch screens with the facility for in venue advertising. The multipurpose unit allows players to;

- Check their current points balances.
- Check the number of tickets in current promotions.
- See a list of today's barrel draw winners.
- Check their MyCash balance.
- Draw down additional credits to EGM when using MyCash.
- Change PIN for MyCash accounts.
- View a transactions list.
- Call for service.
- Reserve the EGM (EZY BREAK).
- Convert vouchers to points (where applicable).
- Set daily spend limits (where applicable).

In addition, the loyalty card reader and LED lights change colour to indicate card acceptance and machine status.

Get the most out of MAX's Vector units.

Can incorporate value-add services such as paging for enhanced player experience.

Ongoing service and support.

Can stream interactive advertising messages, directly targeting players.
